## PLANNING A MEETUP

Here are a few ways you can rally your community to participate in a Run Like an Amazon 5k Meet-Up:

### 1) Choose a route and a meet-up time.

The route can be around your neighborhood, on a track, or anywhere you can complete 3.1 miles on Sunday, **November 18th**. Choose a route that is safe and avoid running before dawn and after dusk. Consider walking or running the route at least once so you're familiar with the course.

### 2) Create your fundraising team.

Creating a fundraising team is an easy way to share why you're running, recruit your friends, and raise funds for the MSU Foundation. To set up your team, you first need to set up your own fundraising page by visiting [Give.Classy.org/RunLikeAnAmazon](https://Give.Classy.org/RunLikeAnAmazon). You'll then be given the opportunity to create a new team. As the team captain, you can use your page to share all the details of your meet-up.
