2022 *Annual* REPORT

MU SIGMA UPSILON FOUNDATION

Over the past 3 years, your support is vital to the success of the Mu Sigma Upsilon Foundation. We are expressing our deepest appreciation for your generous contribution and unwavering support. Your thoughtful donation has significantly impacted our mission to continue empowering young women, promoting education, and supporting local communities and our sisters in need. These opportunities inspire each woman to be the best version of herself. It is because of you that our organization is where it is today. We are encouraged and inspired by you. Thank you!

Your contribution plays a vital role in allowing us to continue our efforts and make a positive difference in the lives of countless individuals. With your support, we can continue to support our generous donors; the Mu Sigma Upsilon Foundation passionately serves through our three (3) main initiatives; Scholarships to undergraduate, graduate, and high-school women, Grants to chapters for campus and community programming, and MUnited Nations Funds for financial assistance to support local and international disaster relief operations.

Supporters like you make our vision a reality, and we are truly grateful for your belief in our cause. Your generosity fuels our passion and motivates us to work even harder to achieve our goals. Together, we are creating a brighter future and leaving a lasting legacy of positive change.

Sincerely,
